Please take signed score cards upstairs to the scorer.

The cost of each session is £60 per team.

All games are played 1 hr 55 mins to the bell.

The winner of the competition is the club with the highest average shots up.

The winner of the Colin Black Trophy is the highest shots up rink, outside of the competition winning club.

Please note:

Where a team fails to turn up, the non-offending team **must stay for 30 minutes** to claim the win. It will be recorded as 5 ends to 0 and 6 shots to 0.

If a team has only three players, the game **must start at the correct time**. The offending club will lose 1 shot for every 5 minutes they play with three, up to 30 minutes (6 shots). No shots difference will be gained by the team of four players.
